Description

Login with insurance-->Schedule 3

Issue 1: Date field should not allow to write anything.(for now it is on low priority)

Issue 2: Nationality input field should allow alphabet only

Issue 3: Point no-4 and point no-6-->Name and address input field is allowing unlimited characters and Position/role input field should be alphanumeric.

Issue 4: Number of share can't be negative or unlimited

Issue 5: Point no 12-->Shareholder percentage should neither negative nor more than 100%(NOTE: Need correct it for complete sector)

Issue 6: Point no-4-->Number of Shares-->document upload field gets active after clicking on validate and save only.

Step to reproduce for issue 6:

Form Schedule 3

Go with Point num-4

Column Number of Shares

right now there is no option for document attachment

Now click on save & validate-->So as soon as user click on save & validate then this field gets active.

Issue 7:Upload resume in respective fields-->save-->edit-->save as soon as user saves in 2nd time then resume gets disappear from this field.
