**Description**

Insurance Manager-->Insurance Manager-->Schedule 4

Issue 1:  
choose file option gets active when applicant clicks on the save & validate.

Step to reproduce:  
Schedule 4  
In the initial phase choose file option do not appear for Point no 4(b)(Number of shares) and 6 (Position/Role)  
Click on validate & save

Issue 2:  
Position/role should be in alphanumeric

Issue 3:  
Point no-11-->click on "ADD ROW"-->this button is not clickable (applicant is not able to add row by clicking on "add row" button).

Issue 4:  
Point no.11-->address input field should allow alphanumeric value.

Step to reproduce:  
1. without putting data in point no-11 just click on save and validate  
2. the go with point no.11  
3. go with address field  
now this input field does not allow to provide value in alphanumeric.

Issue 5:  
Put value in complete form-->save and validate-->the provided value in point num.3 (Address of Registered Office in Anguilla\*) is getting disappear if user clicks on save and validate button

See attached screenshot issue 1:  
Before click on save & validate
