Description			
then click on save button-->Now form will not save because it throws error message for blank row means now this point working as "YES"			
Step to reproduce: Insurance Manager-->Insurance Manager-->Schedule 4-->select point no.21 as "NO"-->save & validate-->Go with Edit-->then click on save(Form will not save)-->then go with point no-21-->click on YES-->then table gets highlight with red line(means system throws error for blank field)

- Status changed from New to Resolved

#2 - 06/06/2022 06:37 PM - arti saraswat

- Subject changed from Insurance Manager-->Insurance Manager-->Schedule 4-->select point no.21 as "NO"-->save & validate-->Go with Edit-->then click on save button-->Now form will not save because it throws error message for blank row means now this point working as "YES" to Insurance Manager-->Insurance Manager-->Schedule 5-->select point no.21 as "NO"-->save & validate-->Go with Edit-->then click on save button-->Now form will not save because it throws error message for blank row means now this point working as "YES"

- Status changed from Resolved to Closed

Now we have been implemented this schedule 5 form as per addendum, so this issue will not be considerable.
