Description

Issue Description:

Designing issue

See attached screenshot:

The screenshot shows the 'Companies' management interface in the TAPP ME system. The interface includes a sidebar with navigation options: Home, Companies, Plans, Billing and Payment, Contacts, Manage CMS, and Settings. The main content area displays a table of companies with the following columns: Company Id, Company Name, Email Address, Payment Status, Registration No, Tax Agency No, Is Enabled?, and Action. A red box highlights the search and filter controls at the top of the table, which include a search input field labeled 'Search by Company Name', a dropdown menu for 'Payment Status', and a 'SEARCH' button. There are also buttons for 'VIEW REQUESTS' (with a notification badge) and 'CREATE NEW COMPANY'.
