Description

Issue Description:

we have to add one more filter option on the Enterprises plan page

See attached screenshot:

The screenshot shows the TAPP ME admin dashboard. On the left is a blue sidebar with navigation options: Home, Companies, Plans (with a dropdown arrow), Subscription Plans, Enterprise Plans (highlighted), Billing and Payment, Contacts, Manage CMS, and Settings. The main content area is titled 'Enterprise Plans' and features a search bar with the placeholder 'Search by Plan Name' and a 'SEARCH' button. Below the search bar is a table with columns: Plan Id, Name, Plan Type, Price, Valid Days, No of Users, and Action. The table contains two rows: one for Plan Id 20 (Anish Singh, Monthly, Price 800, Valid Days 100, No of Users 5000) and one for Plan Id 14 (New Plan For ajay, Yearly, Price 20, Valid Days 30, No of Users 200). Each row has an 'Edit' button. A red box highlights the text 'Monthly / Yearly' above the table, and a red arrow points from this box to the 'Monthly' entry in the table.
