Description			
MLRO/MLCO/CO-->Point number 3--> 1. Why does this "Afghanistan" appears by default? 2. Former name should not mandatory. 3. Point no.13-->"number of shares" and "percentage of shareholdings" input field allow unlimited character(NOTE: but input field accept till 100 only, means if you type unlimited character then press tab or click outside that input field then this value will convert into 100) See attached screenshot: clipboard-202201171112-1t079.png clipboard-202201171323-z8gfs.png
