Description

Issue Description:

Need to add an attach/upload document option from the admin side there admin attaches the document which is shown on the web

See attached screenshot:

The screenshot shows a web browser window displaying the 'PSCGY Admin' interface. The page title is 'Create Press Release'. On the left, a navigation menu is open, showing 'Media Center' selected, with 'News' and 'Press Release' options highlighted by a red box. The main content area contains a form with the following fields:

- Title ***: A text input field with the placeholder 'Enter title'.
- Files**: A file upload section with a 'Choose Files' button and 'No file chosen' text.
- Content**: A rich text editor with a toolbar and a text area containing the text 'Attache/upload document', which is highlighted by a red box.
- Status ***: A dropdown menu with 'Status' selected.

A blue 'Create' button is located at the bottom right of the form. The footer of the page reads 'Copyright © 2024. All right reserved.' The browser's taskbar at the bottom shows the time as 06:24 PM on 05-09-2024.

The image shows two screenshots of the Private Sector Commission of Guyana website. The top screenshot displays a list of quarterly news letters under three categories: Press Release, News, and Social Media. Each item includes the title 'Quarterly News Letter - Volume III (Period Ending July 2011)', the date '09 Aug, 2022', and a 'Download (3.24 MB)' link. The bottom screenshot shows a similar layout but with more detailed news items, including titles like 'Test demo name #123 Test demo name #123', 'H.E. Minister Vickram Bharrat Witnesses MoU Signin', and 'MNR and PSC aligned on key local content issues'. Each item has a date and a 'READ MORE' button.
