Description

Issue description:

inside social media --> 1. if the user clicks Read more button then the social media page shows empty

See attached screenshot:

The screenshot shows the website's main content area with three columns: Press Release, News, and Social Media. Each column has a 'READ MORE' button. The 'Social Media' column's 'READ MORE' button is highlighted with a red box. Below this, a second screenshot shows the 'Social Media' page, which is currently empty, demonstrating the bug.
