Description

Issue Description:

I have added image for social media but after update it is not showing on the web panel, web panel showing big "no image available" image need to fix this issue

See attached screenshot:

The screenshot shows a web browser window with the URL `psc-dev.digitalnoticeboard.biz/admin/media-center/social-media/6/edit`. The page is titled "Update Social Media" and contains a form with the following fields:

- Title:** Test demo social media @123 Test demo name
- Files:** A file upload area with a "Choose Files" button and the text "No file chosen". This area is highlighted with a red box.
- Content:** A rich text editor containing "Test demo name".
- Status:** A dropdown menu set to "Active".

At the bottom right of the form is an "Update" button. The browser's taskbar at the bottom shows the time as 06:43 PM on 05-09-2024.
