Description

Issue Description:

The title word should be shown in the wrap

See attached screenshot:

The screenshot shows the 'PSCGY Admin' interface. A sidebar on the left contains navigation options like 'Dashboard', 'Users', 'Members', 'Data', 'Resources', 'Media Center', 'News', 'Press Release', 'Social Media', 'Photos', 'Videos', 'Membership', 'About us', 'CMS', and 'Queries'. The main content area displays a 'Recent List' table with columns for '#', 'Image', and 'Title'. The first row is highlighted with a red box, showing a title that is truncated and does not wrap. A green notification banner at the top right says 'Photo created successfully'.
