Description

Issue Description:

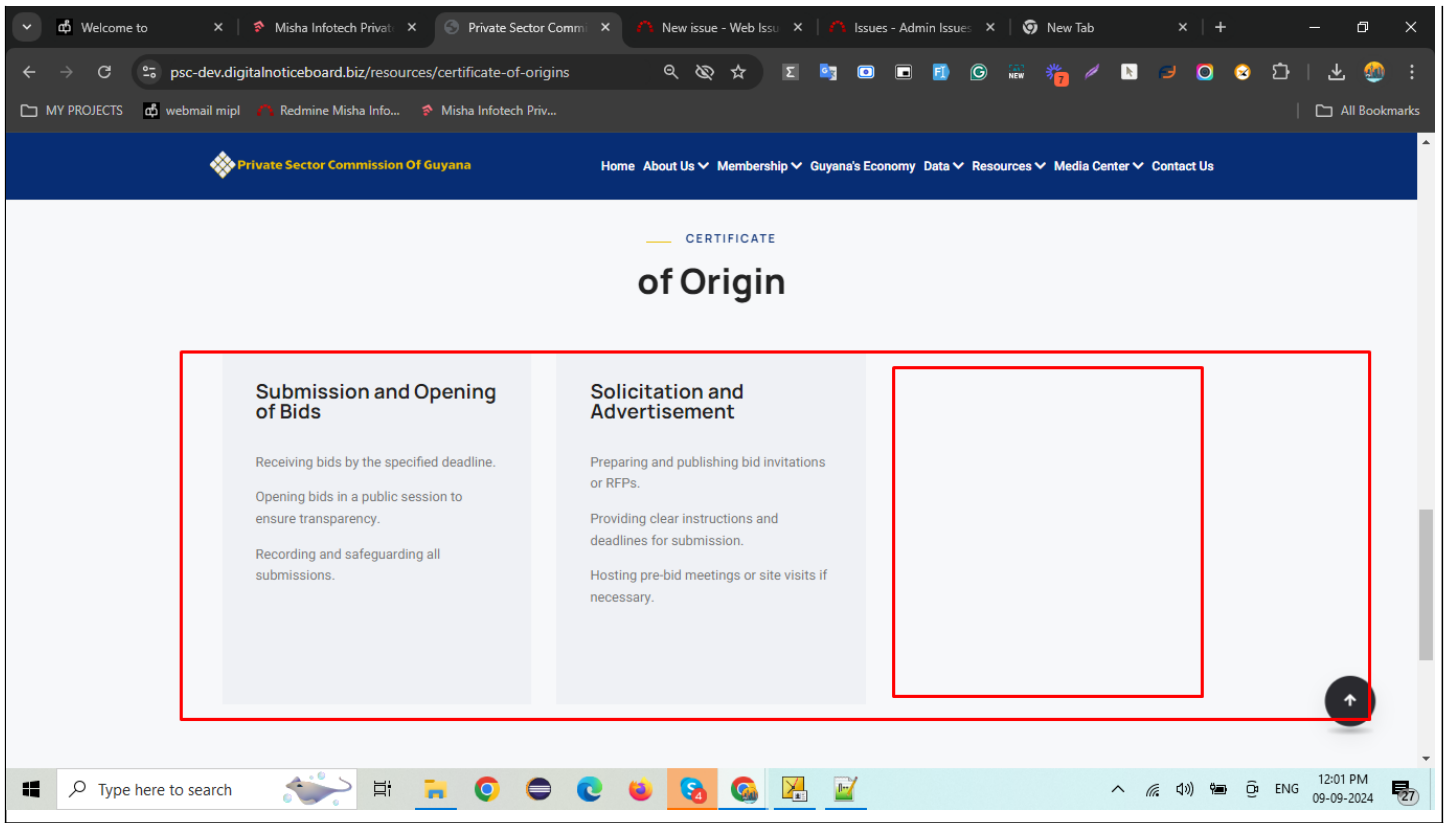

Admin, there are 3 active statuses showing but web panel there is only 2 active content showing, Need to fix this issue

See attached screenshot/screen Record:

The screenshot shows the PSCGY Admin interface. The left sidebar contains navigation items: Dashboard, Users, Members, Data, Resources (expanded), Business Readiness Desk, Go Invest, IDB Invest, Procurement Process In Guyana, Certificate Of Origins, and Annual Reports. The main content area is titled 'Certificate of Origins Data' and features a search bar and a '+ Create Certificate of Origin' button. Below this is a table with the following data:

#	Title	Status	Action
1	Submission and Opening of Bids	Active	
2	Solicitation and Advertisement	Active	
3	Application Submission	Active	

The table shows 3 rows, all with 'Active' status. A red box highlights the entire table area. Below the table, it says 'Showing 1 to 3 of 3 rows'. The footer of the application shows 'Copyright © 2024. All right reserved.' and the system tray shows the time as 11:59 AM on 09-09-2024.
