2. Designing issue

See attached screenshot/screen Record:

The screenshot shows a web browser window displaying the registration page for the Private Sector Commission of Guyana. The page title is "Private Sector Commission Of Guyana" and the URL is "https://psc-dev.digitalnoticeboard.biz/register". The page has a navigation menu with links: Home, About Us, Membership, Guyana's Economy, Data, Resources, Media Center, and Contact Us. Below the navigation menu, there are two input fields: "State Briefly Why you Wish to Become a Member" and "How do You know About the PSC?". The main content area is titled "Names of Two References" and contains two identical forms. Each form has three columns of input fields: "Name\*", "Address\*", and "Name of Business/Profession\*". Below these are "Telephone Number\*", "Email\*", and "Website\*" fields. In the second form, the "Telephone Nos.\*" field contains the digit "4". A red box highlights this field and the "Add New +" button below it. Another red box highlights a red trash icon and a black circular arrow icon in the bottom right corner of the form area. The Windows taskbar is visible at the bottom of the screenshot, showing the search bar and various application icons. The system tray shows the date and time as "05:44 PM 07-10-2024".
