Description

Issue Description:

once admin generated any client card and again clicked on the generate card button then showed previous client data while the page should be refresh

See attached screenshot:

The screenshot shows the Bahrain Harbour Admin interface. The main content area displays a table of Loyalty Cards. A modal window titled "Generate Loyalty Card" is open, showing a dropdown menu with "SAGAR SARGAM" selected. The modal contains a "Generate Card" button and a "Download" button. The background table has columns for Client Name, Contact No., and Loyalty Card Status. The user profile "SHUBHAM 2 MODANWAL Admin" is visible in the top right corner.
