Description

Issue Description:

Admin --> Login --> Dashboard -->Loyalty card --> showing no record on loyalty page (if no record then you need to remove the blank record because, I am able to generate a loyalty card)

See attached screenshot/screen Record:

The screenshot shows the Bahrain Harbour Admin interface. The left sidebar contains a menu with items: GENERAL, Dashboard, Clients, Loyalty Cards (highlighted), Outlets, User Management, Visit History, Reporting, PROFILE, and Settings. The main content area displays a table with the following columns: Client Name, Client Email, Client Contact No., Status, and Action. The table is currently empty, and a red rectangular box highlights the table area. The top right of the interface shows the user profile for SHUBHAM 2 MODANWAL, Admin. The browser address bar shows the URL: bahrin-harbour.digitalnoticeboard.biz/Administration/LoyaltyCard/Index.
