Description

Issue Description:

Admin --> Login --> Dashboard --> Clients --> Properties' Add --> There is no option any properties name, need to add one more field property name and also add action missing text

See attached screenshot/screen Record:

The screenshot shows the 'Property Details' page in the Bahrain Harbour Admin system. The page includes a sidebar with navigation options and a main content area with a table of property details. The table has columns for Property Name, Country, State, Address, and Property Price. The 'Property Name' column is highlighted with a red box, and the 'Property Price' column also has a red box around its input field. The table row shows 'DZ' as the property name, 'India' as the country, 'Uttar Pradesh' as the state, and 'Noida electronic city' as the address. The price is '773737337'. There are also 'Cancel' and '+ Add Property' buttons at the top right of the main content area.
