

AllyDoc -Freelance Doctor - Bug #11337

In the Account Verification email, the Username should always be automatically capitalized for consistency.

11/05/2024 04:39 PM - priyanka Sharma

Status:	Resolved	Start date:	11/05/2024
Priority:	Normal	Due date:	
Assignee:	Sagar Kumar	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour

Description

The screenshot shows an email interface. At the top, it says "Welcome to AllyDoc, devil!" with a green shield icon and "Deliverability" and "Reply" links. Below that, the sender is "<wow.mipl@gmail.com>" and the time is "Tuesday, November 05, 2024 5:07:05 PM". There is a "Show pictures" link. The main body of the email is titled "AllyDoc Account Verification!" and starts with "Dear devil," where "devil" is highlighted with a red box. The email text continues: "Thank you for creating an AllyDoc account! To ensure the security of your account, we require verification before you can access all its features." "Please use the following One-Time Password (OTP) to complete the verification process:" "Your OTP is : 9547" "This OTP is valid for the next 15 minutes."

History
