Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour

Description

The screenshot shows a web browser window displaying the AllyDoc application. The browser's address bar shows the URL: <https://allydoc-web-staging.digitalnoticeboard.biz/doctor/appointments/20140>. The application interface includes a sidebar with navigation options like Home, Appointments, Messages, Treatment plan, Payments, Settings, and Notifications. The main content area is titled 'Appointments Details' and shows an appointment for 'ISHIKA' on 'November 06, 2024' at '06:19'. A 'UPCOMING' button is visible. A white 'Network Error' popup is overlaid on the video call area, which is currently blank. Below the appointment details, there is a 'Consult Questionnaire' section with three questions, each with a 'No' response.

History
