### Description

The screenshot shows the AllyDoc web application interface. The top navigation bar includes the AllyDoc logo, a notification bell, and the user profile 'ISHIKA'. The left sidebar contains menu items: Home, Appointments (highlighted), Messages, Treatment plan, Feedback, Payments, Settings, and Notifications. The main content area is titled 'Appointments' and features a search bar 'Search doctors...'. Below the search bar are tabs for 'Upcoming', 'In Progress', 'Completed', and 'Cancelled'. The 'Upcoming' tab is active, showing two appointment cards for Dr. Deepa (Speciality in cardiology, gastroenterology) on November 06, 2024. The first appointment is at 05:46 and the second is at 06:19. Each card has a 'View' button. The browser's address bar shows the URL 'allydoc-web-staging.digitalnoticeboard.biz/patient/appointments?'. The Windows taskbar at the bottom shows the system tray with the time 12:28 PM on 11/6/2024.
