Target version:		Spent time:	0.00 hour

Description

The screenshot shows the AllyDoc patient portal interface. The main content area is titled 'Appointments' and features a search bar for doctors. Below the search bar, there are four tabs: 'Upcoming', 'In Progress', 'Completed', and 'Cancelled'. The 'Upcoming' tab is selected, showing two appointment cards for Dr. Deepa, a cardiologist and gastroenterologist. Both appointments are scheduled for November 06, 2024. The first appointment is at 05:46 and the second is at 06:19. Each card has a 'View' button. The left sidebar contains navigation options: Home, Appointments, Messages, Treatment plan, Feedback, Payments, Settings, and Notifications. The top right corner shows the user's profile as ISHIKA. The browser address bar displays the URL 'allydoc-web-staging.digitalnoticeboard.biz/patient/appointments'.
