Description

The screenshot shows the AllyDoc doctor dashboard for Dr. CLONE. The dashboard includes a navigation menu on the left with options like Home, Appointments, Doctors, Pending Request, Patients, Messages, Treatment plan, Payments, and Settings. The main content area displays 'Good Afternoon Dr. CLONE' with buttons to '+ Doctor' and '+ Patient'. A 'Visits for Today' widget shows a total of 2 visits, with 2 New Patients and 0 Old Patients. Below this, there are sections for 'Upcoming Request' (showing 'No upcoming appointments') and 'Upcoming Appointments' (with a 'View All' link). A table header for 'Upcoming Appointments' is visible with columns for S.No., Name, Date, Time, and Status.
