The screenshot shows a web browser window displaying the AllyDoc doctor dashboard. The browser's address bar shows the URL 'allydoc-web-staging.digitalnoticeboard.biz/doctor/dashboard'. A notification banner at the top right of the dashboard reads 'Data saved successfully'. The dashboard content includes a greeting 'Good Afternoon Dr.CRIS', buttons for '+ Doctor' and '+ Patient', a 'Visits for Today' section with '0' new and old patients, and an 'Upcoming Request' section with 'No upcoming appointments'. A table for 'Upcoming Appointments' is partially visible at the bottom.
