<b>Category:</b>		<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>		<b>Spent time:</b>	0.00 hour

## Description

The screenshot shows a web browser window with the AllyDoc patient sign-in page. The browser's address bar shows the URL: https://allydoc-web-staging.digitalnoticeboard.biz/patient/sign-in. The page features the AllyDoc logo at the top left and a blue navigation bar. A green notification box in the top right corner displays a checkmark and the text "Password update successfully". The main content area has a white sign-in card with the heading "Hey, Welcome !" and the sub-heading "Sign in to continue". The card contains input fields for "Email Address" and "Password", a "Show Password" checkbox, a "Remember Me" checkbox, and a "Forgot Password?" link. A blue "Sign In" button is positioned below the input fields. At the bottom of the card, there are links for "Sign In as doctor" and "Don't have an account? Register". The Windows taskbar at the bottom shows the system tray with the date and time: 2:27 PM, 11/6/2024.
