Description

The screenshot shows the AllyDoc patient dashboard. At the top, there is a navigation bar with the AllyDoc logo, a notification bell, and a user profile icon labeled 'MI MINI'. A left sidebar contains menu items: Home, Appointments, Messages, Treatment plan, Feedback, Payments, Settings, and Notifications. The main content area features a blue banner with the text 'Not Feeling well' and 'Book an appointment today...', accompanied by a 'Book an Appointment' button and an image of a doctor. Below this is an 'Appointments' section, which is highlighted with a red box. It contains two appointment cards, each with a female doctor icon, the status 'REQUESTING...', and a 'REQUESTED' button. A 'View All' link is visible to the right of the appointments section.
