**Description**

The screenshot shows the 'Appointment Details' page in the AllyDoc application. The patient name is 'MINI' and the doctor is 'CRIS'. The patient's age is listed as '301', which is highlighted with a red box. The page includes a navigation sidebar on the left with options like Home, Appointments, Doctors, Pending Request, Patients, Messages, Treatment plan, and Payments. The main content area has a top bar with 'Appointment Details' and 'INPROGRESS' status. Below this, there are sections for Patient Name, Doctor Name, Treatment Plan (with Subjective and Objective fields), Questionnaire (with two questions: 'Are you capable of making a decision?' and 'Are you looking a Good Report?'), and Medicines (with an 'Add medicine' button).
