Target version:		Spent time:	1.00 hour

Description

The screenshot shows a web application interface for the Pesticides and Toxic Chemicals Control Board. It features a sidebar with navigation options like Home, Applications, Product Registration, and Import Licenses. The main content area displays a 'Products' table with the following data:

Product Name	Purpose Of Importation	Safety Datasheet	Product Label	Action
1 Perchloroethylene	Industrial-Professional	8.jpg	• _111234800_installation.g.jpg	
2 Nitrilene XP	Commercial-industrial	Downloading_Large_Files_eLibrary.pdf	• file-example_PDF_500_kB.pdf	
3 TT -01	Personal	_111234800_installation.g.jpg	• 3ce709113389695.60269c221352f.jpg	

The 'Action' column for each row contains three icons: a pencil (edit), a trash can (delete), and a downward-pointing arrow. A red rectangular box highlights these icons in the first row, demonstrating that the delete and downward arrow icons are overlapping.
