Description

Issue Description

After inactive "New Connection Requirement" from the backend then getting front end side "Attempt to read property "title" on null issue"

See attached screenshot/screen Record:

The screenshot shows a web browser window with the URL `wasco.swadhasoftwares.com/admin/new-connection-requirement`. The page is titled "Edit New Connection Requirement". It features a blue sidebar on the left with a menu containing "Dashboard", "About Us", "Articles", "Enquiries", "Our Services", "News and Updates", "Work in Progress", and "Services". The "Services" menu is expanded, showing sub-items like "Payment Options", "Water Rates", "Understanding Your Bill", and "About Your Meter / Understanding the Meter". The main content area has the following fields:

- Title ***: New Connection Requirements
- Slug ***: new-connection-requirements
- Status ***: Active Inactive
- Description ***: A rich text editor containing the text:

If Owner Of Property

D.C.A approval plan for all houses being built or already erected. (Note that the consumption for houses being built will be charged at the commercial rate and the customer is to inform the company on completion of construction so to change the tariff, otherwise, commercial rate will still be charged).

Updated land register (within 30 days) or deed of sale (copy)

Valid picture I.D (copy)

The Windows taskbar at the bottom shows the search bar, task view, and several application icons. The system tray on the right indicates the time as 11:05 AM on 19-11-2024.
