<b>Target version:</b>		<b>Spent time:</b>	0.00 hour

### Description

Issue Description:

getting database issue when admin clicks on the pdf button

See attached screenshot/screen Record:

The screenshot shows the PSCGY Admin interface. The left sidebar contains navigation items: Dashboard, Users, Members, List, Data, Event, Resources, Media Center, Membership, About us, CMS, Queries, and Authorization. The main content area has a search bar and filter options (Name, Membership, Status) with Reset and Filter buttons. Below this is an 'Export' button and a 'Recent List' table. The table has columns for #, Name, Email, Membership, Telephone No., Status, and Action. The Action column contains icons for edit, delete, view, and PDF. A red box highlights the PDF icon for the first row (Vaughan Johns). The browser address bar shows 'psc.digitalnoticeboard.biz/admin/member'.

#	Name	Email	Membership	Telephone No.	Status	Action
1	Vaughan Johns	jimoxebi@mailinator	Sectoral Corporate	16987151604	In Active
