## Local Content Advisory Group

The Committee on Local Content was established as a result of the decision of the PSC Council on December 9, 2021, following the enactment of local content legislation in December 2021 and which brought into effect the Local Content Act No. 18 of 2021.

The following are the principal tasks of the Group:

To keep track of key developments regarding local content in the Oil and Gas sector which will significantly impact the economic and social development of Guyana.

To critically review policies, plans, and initiatives in relation to local content and the implementation provisions of the local content legislation.

To consult with members of the private sector and other stakeholders on key issues regarding local content as to inform the PSC's position.
