### Description

The screenshot shows the Sakoon dashboard with a sidebar menu on the left containing options like Dashboard, Profile, Appointment, Availability, Counsellor, Waiting List, Client, CMS, Coupon, Special Offer, and File Management. The main content area features three summary cards for different appointment types (Individual, Couple, Family) with their respective fees. Below these is a 'Recent Appointment Activity' table with columns for ID, Appointment Date, Appointment Time, Counsellor, Client, Contact Method, Appointment Status, Created At, and Invoice. The table contains five rows of appointment data. The first row has a red box around the 'Invoice' column, which is currently blank. The second row shows a 'Tax Invoice' link. The third and fourth rows also show 'Tax Invoice' links. The fifth row shows a pending appointment with no invoice link. The footer of the dashboard includes the copyright notice '© 2024 Sakoon - Peace of Mind'.
