

## Orthocare Client Portal - Bug #12011

After selecting a symptom, it asks the first question. However, if I click on the back icon from the second question, it navigates to the 'Select Your Symptom' step instead of the first question.

<b>Description</b>			
Follow these steps:			
1. Select any symptom that has 2 or 3 questions.			
2. From the 3rd question, if you go back, it navigates you to the 2nd question.			
3. From the 2nd question, if you go back, it navigates you to the 'Select Your Symptom' page.			
It should navigate you to the 1st question instead
