Description

The screenshot shows a web browser window with the Orthocare Client Portal. At the top, there is a notification: "Assessment Save Successfully". Below this, the "My Symptoms" section is visible, with a sub-section for "Shoulders" dated "19-12-2024 2:28PM". A "Result" box contains the text: "Painkillers / Anti-Inflammatories / Physiotherapy / Ointment / Injection The System Saves What The User Did Not Mark And It Will Be Used Later". A "View Details" button and a QR code are also present. The browser's address bar shows "orthocare.netlify.app/my-symptoms".
