## Description

The screenshot shows a web dashboard for 'AIR INDIA AVIATION' with the user 'shubhamj@yopmail.com'. The dashboard includes a search bar, a sidebar menu with options like 'Dashboard', 'Training Records', 'Certification', 'Staff Profiles', 'Reports', 'Notification', 'Subscription', 'Help & Support', 'Settings', 'Customize System', and 'Logout'. The main content area features four summary cards: 'Total Staff Members' (23), 'Total Upcoming Certifications' (56), 'Total Pending Trainings' (95), and 'Total Expired Certifications' (86). Below these are two sections: 'Recently Expired Certifications' and 'Certifications Expiring Soon', each with a 'View All' button. The 'Recently Expired Certifications' section displays six cards for 'Software Design Testing' by Gerard Fabiano, all expired on 02 March. A red gear icon is visible on the right side of the dashboard.
