### Description

Issue Description:

Add address --> country should arrive with dropdown & phone number field should be 8-15 characters

See attached screenshot/screen Record:

The screenshot shows a web browser window with the URL <https://milisto.com/setting/addresses>. A modal window titled "Add New Address" is open, displaying a form with the following fields: "Name" (Test new), "Phone" (39348923892388989238923), "Country" (2378823892398), "City" (8923892382389), "Zip Code" (23898923982389), and "Name" (238989238923892389). The "Phone" and "Country" fields are highlighted with red boxes. A green success message at the top of the modal reads "Your address has been added successfully". The background shows the Milisto settings menu and a chat window.
