Description

Issue Description:

Find friends --> Search functionality is not working properly (means 2nd time if a user searches the user then gets text "no user to show")

See attached screenshot/screen Record:

History

#1 - 01/29/2025 06:49 PM - Anisha Kumari

- Status changed from New to Resolved

- Assignee changed from Mohit Rana to Anisha Kumari

You need to increase distance field and user name entered in search field shouldn't be your follower or you are already following that user. In case of any confusion please discuss with me.
