Description

The screenshot shows a web application interface for managing subscriptions. The browser address bar is 'eb.digitalnoticeboard.biz/apps/subscriptions'. The user is logged in as 'Super Admin' (admin@yopmail.com). A sidebar menu on the left includes options like Dashboard, Training Records, Authority, Certification, Client Management, Reports & Analytics, Audit & Monitoring, Subscriptions (selected), Subscription Manage, Company Subscriptions, Payment, Help & Support, and Settings. The main content area displays 'Subscriptions (27)' with a search bar and filters for Status, Plan Name, and Plan Type. A table lists subscription details, with the 'Inactive' status for several rows highlighted by a red box.
