Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour

Description

The screenshot shows a web application interface for 'Audit & Monitoring Reports (129)'. The page includes a search bar, filters for 'From date', 'To date', and 'Status', and a table of reports. The table has the following columns: Id, User Id, Email, Ip Address, Log Type, Description, Date, and Status. A red box highlights the empty space between the 'Description' and 'Date' columns in the first row of the table.

Id	User Id	Email	Ip Address	Log Type	Description	Date	Status
