Description

The screenshot shows the Orthocare client portal interface. At the top, there's a navigation bar with 'Home', 'Symptoms Checker', and 'About'. The main content area is titled 'Assessment Details' and shows a questionnaire for 'Arm' with the question 'Did the pain start after a fall?' and a 'Yes' response. Below the questionnaire, the 'Result' section says 'Check Fracture!' and includes a QR code. The 'Media' section contains an X-ray image and a video thumbnail titled 'Jist Inside Dark Side Horrible Night Shelters'.
