Description

The screenshot displays the 'Edit event' interface in the Milisto application. The form is titled 'Edit event | Milisto' and is located at 'milisto.com/events/edit/28/'. The form fields are as follows:

- When this event will start?***: March 11, 2025, 10:00
- When this event will end?***: March 11, 2025, 19:00
- Priority***: Low
- Visibility***: Public
- Registry**: Holi celebration
- Category**: Other
- Status**: Active
- Description***: Holi celebration

The browser's address bar shows 'milisto.com/events/edit/28/'. A chat window on the right side of the page shows participants John and Devil Sharma. The Windows taskbar at the bottom shows the system tray with the date and time 11:29 AM 1/20/25.

Follow steps below -

1. Add a new event by navigating to the Events module.
2. In the Category field, select "Other", and enter a text value like "Festival Celebration" related to the event.
3. Fill in all other necessary details and save the event.

Edit the same event, update the Category field by selecting another category, e.g., "Travel & Events", and save the changes.

4. Go to the Events page and verify the category displayed for the updated event.
5. Navigate to Browse Events and check the displayed category for the edited event.
