1. Login with Devil account > there are 3 items under Reserved Milisto(My List)& 2 items under purchased
 2. Now login with other user Nidhi. Go to Members > Add new Member and add the Devil in this member family
 3. view details of member
 4. Right side Member list > click on Devil name --it will link you to his list page
- Here, no reserved & purchased list displaying and also Instead of My list it should show Devil's Wishlist
