### Description

The screenshot shows the 'Manage Community Post' interface. At the top, there's a search bar and filters for 'Active', 'Inactive', and 'All'. Below that are 'CSV' and 'PDF' buttons. The main area is a table with columns: Post ID, Upload Attachment, Content, Post On, Post By, Approved Status, and Action. The table contains several rows of posts. A red arrow points to the toggle switch for post ID 86, which is currently in the 'off' position. The 'Approved Status' column shows toggle switches for each post, with some being 'on' and some 'off'. The 'Action' column contains edit and delete icons for each post.
