Description

The screenshot shows a web browser window with a red error banner. The error message is "ParseError" and "HTTP 500 Internal Server Error". The stack trace is visible, showing the error occurred in the file `/home3/digituqa/voting.digitalnoticeboard.biz/app/Http/Controllers/Admin/ElectionController.php` at line 506. The code snippet around line 506 is:

```
501.         $data['result'] = 1;  
502.         $this->election::where(['id'=>$this->r->id])>update(['delete_status'=>1]);  
503.         return json_encode($data,true);  
504.     }  
505.     else{  
506.         $this->election::where(['id'=>$id])>update(['status'=>$
```
