Description

The screenshot shows a web browser window with a blue header bar containing a microphone icon and the text "Microphone off". Below the header, a red error message states: "We have encountered an error in Speech Recognition Service, please try again. Error Code: 1002". The browser's address bar shows the URL "https://voting.digitalnoticeboard.biz/admin/add-election-nominee/43". The page content includes a sidebar menu for the "Government of ST. Christopher (St. Kitts) & Nevis" with options like "Dashboard", "Manage Departments", "Manage Boards", etc. The main content area displays a form for adding a nominee, with fields for "Gender: Male", "Service Year: 2022", and a "Manifesto" section with a "Browse..." button and a "View" button. Below this, a red notification says "Add Nominee For Sergeants Branch Board 0 Selected Out of 3". Two nominee cards are visible: "Sgt-014" for "Sandy Point Police S... Jaff hardy" (Service Year: 2016) and "Sgt-003" for "Gingerland Police St... Kelly Hemilton" (DOB: Sep 08, 2004, Service Year: 2022). Both cards have "Manifesto" sections with "Browse..." buttons and "No file selected." text.
