### Description

The screenshot displays the PTCCB application interface. On the left is a sidebar with navigation options: Home, Pending For Review, Licenses, Registered Products, Companies, Invoices, Restricted chemicals, Notifications, and Logout. The main content area shows a 'Track Registration' section with a vertical timeline of events: 'Submitted' on 03 February, 2025; 'Approved Product [Biotox mercury Glow – Collagen and beauty supplement]' on 03 February, 2025; and 'Rejected' on 03 February, 2025. The 'Rejected' event is highlighted with a red rectangular box. Above the timeline are sections for 'Other information', 'Products', and 'Comments'. The top right corner shows a notification bell with '50' and a user profile icon.
