

PTCCB - Frontend - Bug #12594

Sometimes, while approving a product (Inspector/Registrar) or submitting an application/adding a product (Company User), a 'Not Saved' error appears, but the application is actually saved.

Description

The screenshot shows the PTCCB web application interface. A red error message "Not Saved..." is visible at the top right. A confirmation dialog box is open in the center, titled "Comments", with the text "ToxiStop Pro also | am going to approve. thanku". Below the dialog, a message states "You are going to approve this Product." with "Yes" and "No" buttons. The background shows a sidebar with navigation options like Home, Applications, Pending For Review, Licenses, Registered Products, Users, Companies, and Invoices. The main content area displays a product registration form with various fields and a list of files including "Department List.pdf", "noodles.jpg", "organic category.jpg", "organic.jpg", and "paneer-fresh.png".
