Registrar Not Notified After Inspector's Action on Radioactive Source/Refrigerant Gases Application

02/04/2025 12:16 PM - priyanka Sharma

Status:	In Progress	Start date:	02/04/2025
Priority:	Normal	Due date:	
Assignee:	Iram Hamdani	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
In the Radioactive Source Application, one product was approved by the inspector, and another had a query raised. However, the registrar did not receive any notification on the portal or via email regarding these actions.
