### Description

The screenshot shows the Orthocare Admin Dashboard. The top navigation bar includes the Orthocare logo, the current date (February 7, 2025), and the user's name (English). The left sidebar contains navigation links for Dashboard, User Management, Symptoms Management, User Profiling, About Us, Settings, and Logout. The main content area displays several key metrics: Registered Users (92), Registered Users Assessment (1K), Un-Registered Users Assessment (1K), Completed Assessments (817), and Un-Completed Assessments (1559). Below these metrics is a 'Symptom Activity' bar chart showing four bars with values approximately 200, 180, 90, and 50. To the right of the chart is a 'Recent Assessments' list with four entries: 'Leg Pain' (ORT-02200), 'Leg Pain' (ORT-02200), 'Api Tests' (ORT-01128), and 'Shoulders' (ORT-02200). The first 'Leg Pain' entry is highlighted with a red box.
