

Orthocare Admin - Bug #12697

Dashboard Counts Not Updated When Completing Assessment as Guest and Logging in Later

02/07/2025 02:18 PM - priyanka Sharma

Status:	Closed	Start date:	02/07/2025
Priority:	Normal	Due date:	
Assignee:	Shan UI Habib	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
On the dashboard, the "Registered Users Assessment" and "Completed Assessments" counts (both Total and Today's) does not updated when a user completes an assessment as a guest and later loggedin with an existing user account to save their progress.			

History

#1 - 02/10/2025 01:17 PM - Shan UI Habib

- File *before assessment.png* added
- File *assessment completed.png* added
- File *data updated.png* added
- Status changed from *New* to *In Progress*

before the assessment as guest.
before assessment.png

when I did assessment and save the progress by login.
assessment completed.png

I refresh the admin dashboard page and check the result.
data updated.png

Completed Assessments counts working fine but need to discuss registered user and un-registered assessment counts with Bharat bhai currently count not depend on login if it is guest user on assessment result count will increase for un-registered user.

#2 - 02/11/2025 03:07 PM - Shan UI Habib

- Status changed from *In Progress* to *Resolved*

#3 - 02/13/2025 04:40 PM - priyanka Sharma

- Status changed from *Resolved* to *Closed*
