Description

The screenshot shows the Sakoon web application interface. At the top, there is a notification banner that reads "Status Change Successfully" with a green checkmark. Below the notification, the user's name "Miss. Priyanka Sharma" and a "Logout" button are visible. The main content area is titled "Appointment List" and features a filter bar with buttons for "Approved", "Pending", "Reschedule", and "Cancel". A "CSV" button is located on the right side of the filter bar. Below the filter bar is a search input field. The main table displays two appointment entries, each with a "Booking Link", "Amount" of £50, "Particular" of "Individual", and "Current Status" of "Approved" and "Cancel" respectively. The "Reschedule" column shows "--Select--" for both entries. The "Action" column is empty, and the "Invoice" column shows "Tax Invoice" for both entries. The bottom of the screenshot shows the Windows taskbar with the date and time as 1:46 PM on 2/19/25.
