Description

The screenshot displays the Sakoon web application's availability management interface. The top navigation bar includes the Sakoon logo, contact information (info@sakoon.co.uk, +44 (0)7943 561561), and user options (Meeting Link, Mr. Sejal Sharma, Logout). The left sidebar contains a menu with items: Dashboard, Profile, Payments, My Booking, Availability (selected), Clients, Assessment Form, Notes, and File Management. The main content area features a date selector for '2025-02-19' and a grid of time slots. The first slot, '08:00-09:00', is selected with a checkmark. Other slots are available for selection. A 'Check All' checkbox is present on the right. The footer of the application shows '© 2025 Sakoon - Peace of Mind'.

The system should prevent counsellors from adding availability for times that have already passed on the current day.
