

Sakoon - Counsellor - Bug #12839

Counselor Can't Edit Booked Slots in Availability List. Already booked slots should not be able to edit

02/20/2025 01:32 PM - priyanka Sharma

Status:	Resolved	Start date:	02/20/2025
Priority:	High	Due date:	
Assignee:	Ritik Rasenia	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	1.00 hour
Description			
The counselor shouldn't be able to edit already booked slots in the availability list. Once a slot is booked by a client, it should be locked and not editable. However, the counselor is still able to see the option to uncheck the booked slots, which is causing confusion. The system should prevent editing of slots that are already booked.
